Detail: Part B

Sanitizer Stand 3

Cut List

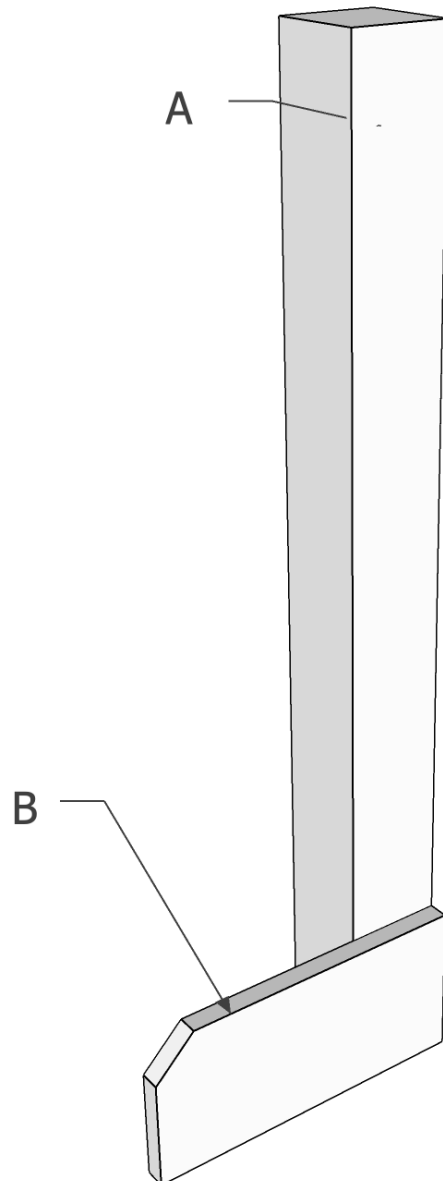

Part Name	Measurement	Amount
A	36"	2
B	12"	8
C	3 1/2"	4
D	5"	4

Step 1: Feet

*** Drill pilot holes to avoid splitting ***

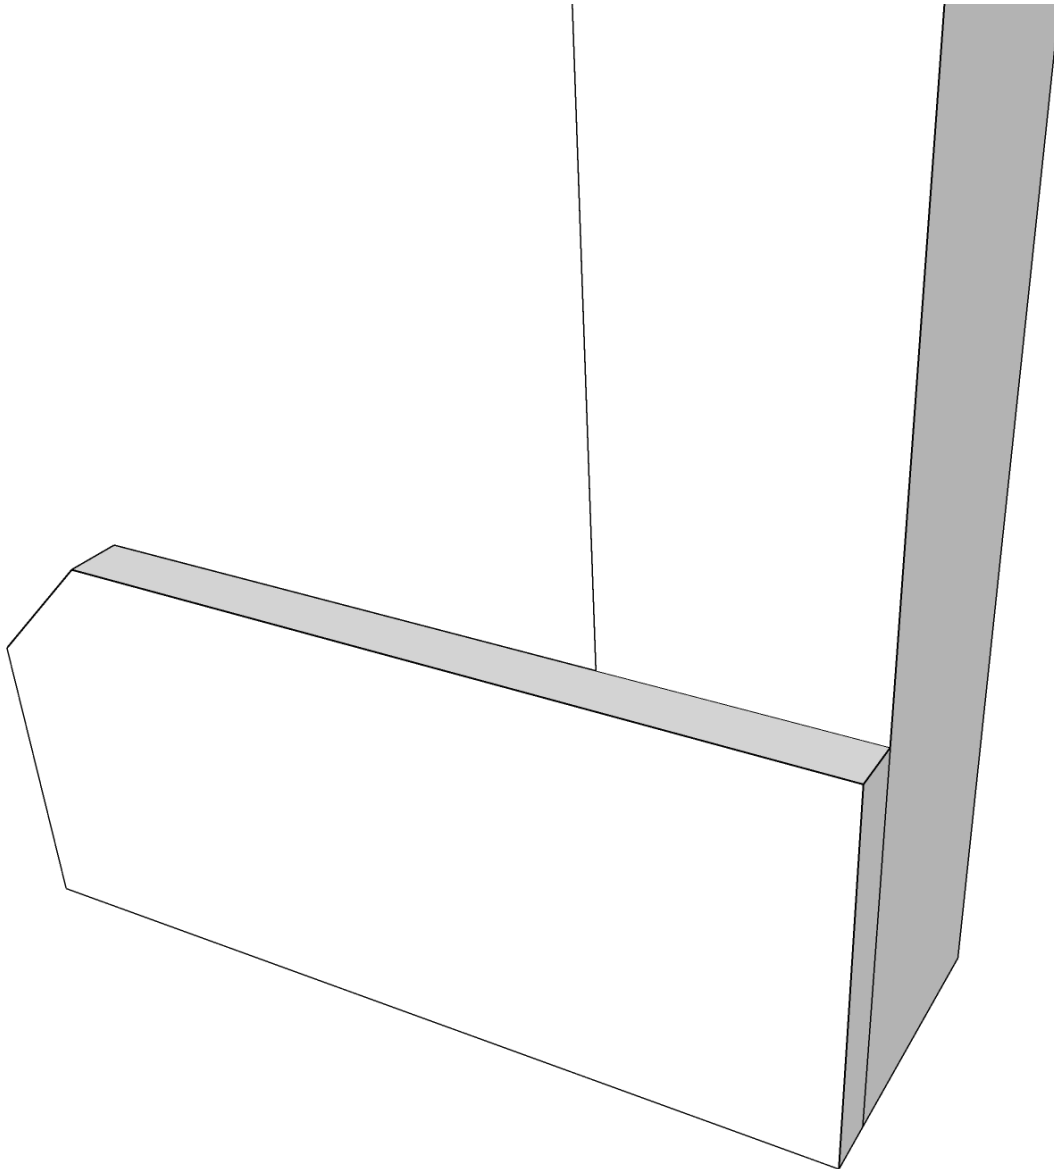

Ensure the back and bottom edges of B are flush with the edges of A and screw together.

Step 1: Detail

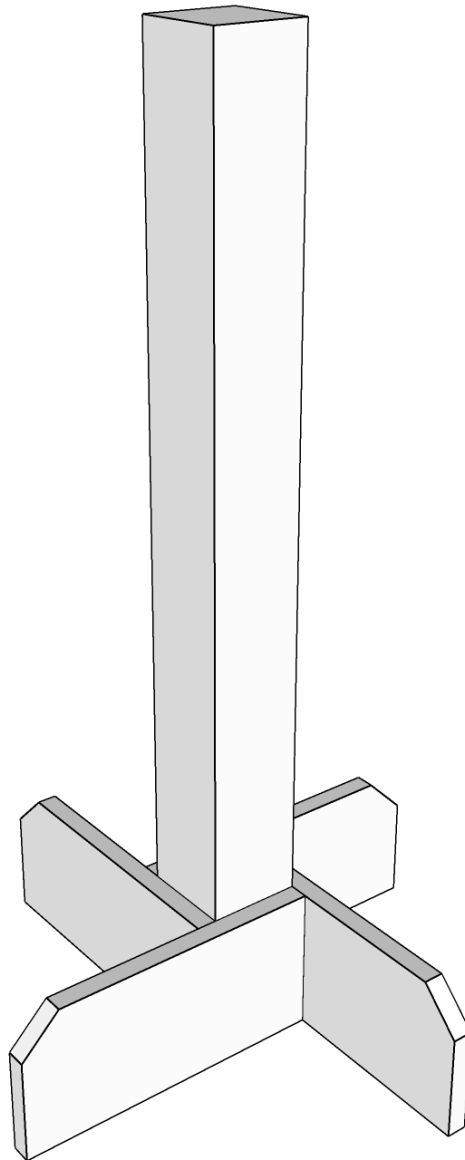

Part B should line up with part A as pictured

Step 1a: Feet

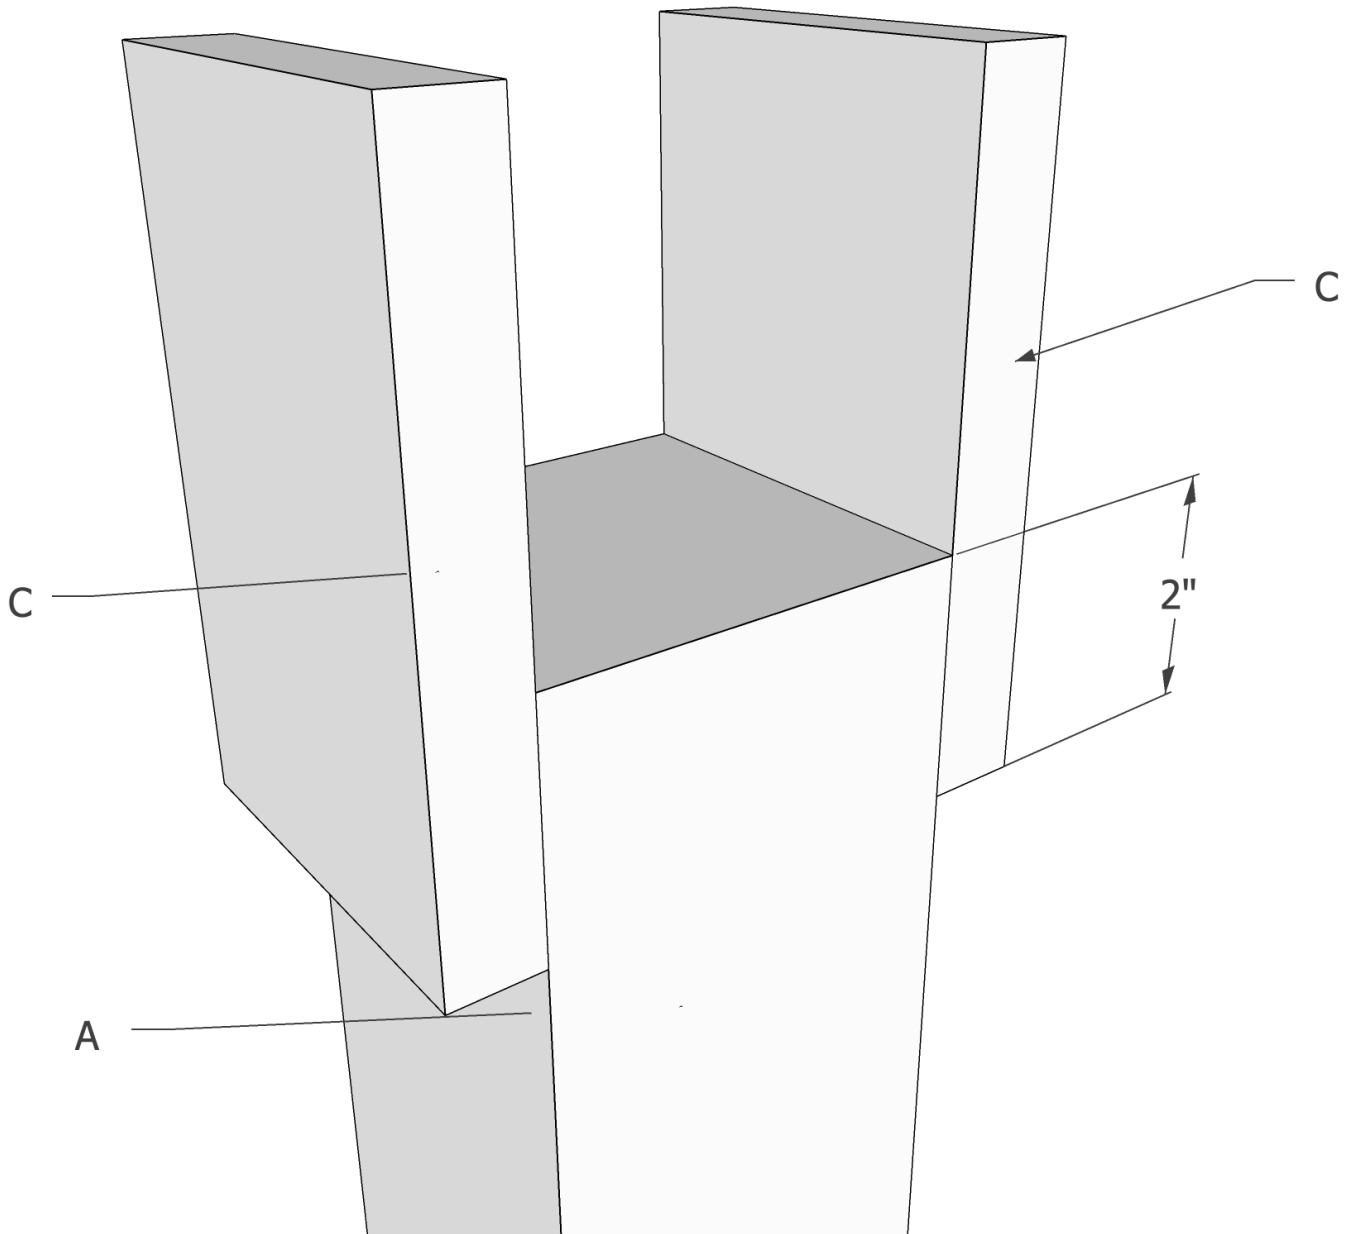

Attach the rest of the feet ensuring that they butt tightly against the other pieces and are flush with the bottom of A

Step 2: Holder

*** Drill pilot holes to avoid splitting ***
Attach parts C to part A. C should overlap A by 2"

Step 2a: Finish

Attach parts D

Repeat steps to complete second sanitizer stand.
